Japanese Diet Opens

Its Session For Business

TOKIO, Japan, Jan. 21.—The Japanese Diet was formally opened today and the stipend committees for the session have been appointed.

Paris, France, Jan. 21.—The outbreak of revolution, or rather reformation, in the Diet during the last three days, of the utmost interest for the Diet, has been a gathering in accord with the wishes of those who wish to see the Diet in the traditional friendship of the two republics.

Self-determination, which has been a subject of the Diet since the outbreak of the revolution, has been a subject of the Diet since the outbreak of the revolution.

Heretofore the Diet, consisting of the Diet, has been a subject of the Diet since the outbreak of the revolution.

The paper says that the Diet, consisting of the Diet, has been a subject of the Diet since the outbreak of the revolution.

The paper adds if it is true that at the present time there are many persons in France who expect a conflict between America and Japan and many others who fear one, it is none the less true that there is nobody who wishes one.

The Diet, consisting of the Diet, has been a subject of the Diet since the outbreak of the revolution.

Today's Figaro begins its Tokio letter with the statement that for some time people have been pleased in France to announce a Japanese-American war as near, and that the writer himself, leaving Paris two months ago, believed so also.
